## Mission Statement

**The mission of Jamestown High School, in partnership with the community, is to graduate all of our students with positive attitudes, habits and skills that promote the growth of well-balanced individuals, prepared to pursue their goals in society.**

## STUDENT GUIDELINES

### Procedure for Parental Concerns

We recognize that from time to time situations may occur that engender legitimate complaints or questions. These concerns can be handled by contacting the administrative offices. We believe that all sides of an issue must be heard and that a "team" approach leads to the best solution. Teachers may also be contacted through the main office at 483-3470.

### Homerooms

Homerooms will be open by 7:55 A.M. at which time the warning bell rings. All students must be in their homerooms by 8:00 A.M. Any student who arrives after 8:00 A.M. must sign in with the Attendance Office. Failure to sign in at the Attendance Office, will result in an extended detention. It is expected that all students will give the proper respect to their fellow students and the teachers during the Pledge of Allegiance and announcements. Excuses from homeroom will be limited. Detentions will be assigned following the third unexcused tardy per semester. Any students who arrive at school unexcused after 9:00 A.M. will receive an extended detention. For further explanation see: Tardy Policy

### Study Halls/Activity Periods

Students may leave the study hall with permission. Students are not permitted to leave study hall or activity periods to see a teacher without a written request signed by that teacher **in advance**. Special passes will be issued to allow students to report to the attendance, guidance, and health offices or enrichment programs. If a student is not in their study hall and that teacher has not been notified, the student will be considered truant and an extended detention will be assigned.

### Student ID

All Students will be given a student ID when they first enter the High School, either at the start of their ninth grade year, or when they transfer into the district. Students are responsible to keep this card for as long as they remain at JHS. All students are required to use their ID to purchase a school lunch (at student rate), to enter school dances, and when checking out materials in the Library Media Center. Lost, stolen, or damaged cards can be replaced for a fee of \$2.00.

### Hall Passes

A hall pass is required whenever a student leaves the room. Student passes must be properly completed, registered and signed by the teacher. All school personnel monitor passes.

### Cafeteria

Students must go to the cafeteria during their assigned lunch set. If it is not a student's assigned lunch set, they may not enter the cafeteria. Students may choose the table at which they eat; however, monitors may move students when necessary. Students are **not** allowed to move back and forth between opposite sides of the cafeteria. Improper behavior in the cafeteria could result in an assigned seat, or a requirement to eat lunch in the ISS room. Students are **not** permitted to purchase a lunch for another individual. Students must stand in line and wait their turn, eat in the cafeteria, use good table manners, remain seated until the dismissal bell rings, keep the tables clean, return trays to the appropriate carts in the designated areas, and put the chairs back in place. All disposable waste, plastic utensils, and uneaten food are to be deposited in the trashcans. Requests to leave the cafeteria may be granted by asking for a pass from a monitor. **No food nor drink may be taken out of the cafeteria.** Students eating or drinking outside of the cafeteria may be assigned an extended detention. Throwing or tossing anything in the cafeteria will result in extended detention.

### Food Delivery

Students will ***NOT*** be permitted to order food and have it delivered to JHS. Students caught ordering food will be assigned an extended detention.

### Parking Procedure

Since our high school is located in a congested area of the city, parking space on campus is limited and only available for faculty and staff. Students may **not** park vehicles on school property from 7:30 A.M. - 3:00 P.M., or an extended detention will be assigned. Any illegal parking may result in that vehicle being towed.

### **Attendance Policy**

Every student has the right to the educational opportunities that will enable the student to develop his or her fullest potential. To maximize these opportunities, it is the responsibility of the student to be in attendance daily. Jamestown High School is committed to the philosophy that every student should attend every class every day. Regular attendance and promptness are expected in all classes and are essential for student success in school. In addition, students must provide prior notification of absences known in advance as well as making arrangements with teachers for completing missed work.

Our attendance policy is based on the following beliefs:

1. Regular attendance is an important aspect of a student's educational program.
2. The educational process requires a continuity of instruction and active classroom participation.
3. The maximization of student interaction with his or her teacher and peers occurs through regular attendance.
4. Regular attendance is a major component of academic success. It increases student achievement and reduces the dropout rate.

Under the Jamestown High School attendance policy, parents/guardians are expected to call the Attendance Office when a student will be absent or late and to state the reason why. An answering machine (483-4372) is available 24 hours a day to receive messages pertinent to absences. Please **DO NOT** leave early dismissal information on answering machine. Call 483-4343 or 483-4382 to reach office personnel. The attendance office opens at 7:30 a.m. for personal inquiries. Students are responsible for reminding their parent/guardians that a call should be made. If an absence has not been reported by 4:00 p.m. of the day of absence, it reverts to an unexcused absence and make-up work will not be permitted. It is the parents' responsibility to call and follow up with a note indicating why the student was late or absent. Note must be signed by Principal.

Below are the only legal excuses permitted by New York State:

- a) Student illness
- b) Sickness or death in the family
- c) Medical appointments
- d) Approved educational trips
- e) Impassable roads or weather
- f) Approved religious observances
- g) Quarantine
- h) Court appearance
- i) Approved college visits
- j) Military obligations

Students will be allowed to make up all classroom work for any of the above absences.

### Class Attendance and Course Completion:

In order for students to be eligible to take tests and submit papers, homework, projects, etc., for grades required to receive credit for any course, students must be in attendance a minimum of 85% of the total number of days the course is scheduled to be in session.

Any student absent from a class more than 15% of the time will not receive credit for the course. For example, more than 13 absences in a semestered course, including an A/B full year course, or 7 absences in a quartered semestered course, will result in loss of credit. Missing 45 minutes or more of an 80-minute class or 20 minutes or more from a 40-minute class will be considered a full period absence. Transfers and students re-enrolling after having dropped out will be expected to attend 85% of the scheduled class meetings during their time of enrollment. The procedures followed will be prorated according to their possible number of class meetings.

Once a student exceeds the attendance standards as specified previously, that student will not take any remaining tests or submit any work, etc., for grades necessary to receive credit for that course, regardless of the student's performance on prior tests, exams or other graded work. Students who violate the minimum attendance standards must continue to attend class unless the district affords the student a full disciplinary hearing in accordance with education law.

It is possible for a student to apply for an "**attendance waiver**" through the Principal if there are extenuating circumstances which caused that student to exceed the limit. The waiver application must be obtained through the student's guidance counselor and must be initiated within one week from the date of notification that the student has exceeded the limit.

### Educational Trips and Alternative Learning Experiences:

All educational and/or field trips require written permission from parents/guardians. Educational trips should be planned as an integral part of a particular course or program and the pupils must be accompanied by a teacher.

Trips with or without parents, vacations, etc., are not approved educational trips. Such trips are unexcused and require an approved leave of absence (from the Principal) at least five (5) days prior to the absence before make-up work will be permitted. This category of absence will be called "Acknowledged Unexcused." Students are responsible for contacting teachers for make-up work five (5) days in advance.

When absent from class or school for reasons other than unexcused absence, truancy, or suspension, a student will be allowed two (2) days make-up time for every day of class absence up to a maximum of one (1) week. Any illness or injury, which would prevent a student from attending school for an extended period of time, will be referred to Pupil Services for home tutoring arrangements. During the time when a student is being home tutored through the school system, this time from school will not count towards the total number of absences which may not be exceeded in order to receive credit for the course.

Students excused from regularly scheduled class(es) to participate in school activities (athletic events, music programs, award presentations, play presentations, sectionals, etc.) must procure their assignments in advance. Students are responsible for material covered during that particular absence.

Students absent from school who have after-school jobs are expected to not report to work. Attendance or participation in any after school or evening school activity on the day of absence is prohibited.

### **Leaving School During School Hours**

Permission to leave the school building must be secured from the school's administration or nurse. Students may not enter and/or leave school (during hours) without permission from the Principal's Office or Assistant Principals' Office. Any student who leaves the building without permission will be assigned a minimum of an extended detention.

### **Tardy Policy**

Students who are unexcused tardy and arrive before 9:00 a.m. will not be penalized the first three times each semester. However, on the fourth unexcused tardy and every one thereafter up to 15 will receive a regular detention to be served on that day. Students who are unexcused tardy beyond 15 times will receive an extended detention. Students who are unexcused tardy after 9:00 a.m. will receive an extended detention as well. Students who arrive after 11:00 a.m. could face further disciplinary action.

### **Graduation Requirements**

Graduation requirements are established by the NYS Education Department and the local Board of Education. All students will take a minimum of three academic courses plus PE each semester. The Principal must approve any exceptions. Students must complete all requirements in order to participate in the graduation ceremony.

### **Early Dismissal Excuses**

If a student is going to be legally absent from school for any part of a day, he or she must present an excuse in advance written by his or her parent or guardian. This written excuse should state the date, and the time to be excused, the destination of the student, the student's grade, and homeroom. A minimum amount of time is allowed for travel from school to the student's destination. These "early dismissal" excuses must be presented at the Assistant Principals' Office for approval as soon as the absence is known to the student. After approval from the Assistant Principals' Office go to Attendance with note to get early dismissal pass. ***Go to Attendance Office to check in if returning after appointment.*** This is an important part of the new Attendance Policy and follows standard procedures of the workplace. Only emergency excuses will be permitted on the day of the absence. Early dismissal excuses, which are deemed "Unexcused" by the State, must be reviewed and approved by school administrators at least five days in advance or make-up work will not be permitted. Reminder: Please do **not** leave early dismissal messages on answering machine.

### **Unexcused Absence, Truancy, or Out-of-School Suspension**

Make-up work for unexcused absences and truanancies is **not** permitted. Work for students on out-of-school suspension will be forwarded to the OSS program.

### **Detentions**

Regular after school detentions will be held daily from 3:05 P.M. to 3:45 P.M. in room 8 (room 151 Tuesdays & Thursdays only).

Extended detentions are held in Room 8 on Tuesdays and Thursdays from 3:05 - 6:00 P.M., and on Saturdays from 9:00 A.M. - noon. Failure to attend extended detention usually results in ISS until the extended detention is served. Failure to attend extended detention or removal from extended detention will result in ISS, OSS, or further discipline.

### **In-School Suspension**

ISS is held from 8:00 A.M. - 3:05 P.M. in Room 8. Students do not report to their regular homeroom if assigned to ISS. In the event of tardiness students make up any time missed, equal time for legal reasons and double time for unexcused reasons. This time is to be made up after 3:05 P.M. on the day of the occurrence, in either ISS or detention.

Students in ISS must have all of their books and study materials, as they are not allowed to go to their lockers. No outerwear (including hoodies) is permitted in ISS. Males must have shirts tucked in and pants worn at waist level. All other dress codes apply. Most students will be able to obtain their daily assignments through ISS; however, if necessary, students may have to contact a teacher for specific written work and/or tests to avoid a grade of "zero". Students who fail to attend or complete ISS may be referred to APP. Students serving ISS are not permitted to attend any extracurricular activities until they return to their regular classes. If a detention/extended detention occurs on the day of ISS, a student may not leave without permission from administration. Failure to complete the assigned detention/extended detention will be considered an "unsuccessful" completion of ISS which may result in OSS or APP.

### **Out-of-School Suspension**

The JHS Out-of-School Suspension program (OSS) is located at Jamestown High School. This program will run daily from 2:45 p.m. until 7:45 p.m., and will coincide with the Alternative Placement Program. Students are to report to the Institute Street doors by 2:40 p.m. daily.

When a student is suspended to OSS, he/she must successfully complete the designated number of days assigned to them. A day will be considered successful when a student arrives on time and scores the necessary number of points based on a point and level system. Students earn points for appropriate behavior and positive academic participation. Points are deducted for inappropriate behavior and negative academic participation. If a student is truant from OSS or APP, an extra day will be added for each day of truancy.

While attending OSS, students' classroom work will be delivered to the program, and a certified teacher will provide academic assistance. A behavior modification program will also take place on a daily basis. A meal break is provided each evening. The meal will consist of a sandwich, chips, fruit, cookie and milk. Students are not permitted to bring their own lunch. If a student has any dietary restrictions, it is a parent's responsibility to notify the school.

Students in OSS are limited as to what they may have in their possession while attending. The only acceptable items that a student is permitted to have are the following: a writing utensil (pen w/black or blue ink), fifty cents for a phone call, one form of identification (not contained in a wallet or purse), and a house and/or car key. Any other possessions (contraband) will be confiscated and will only be returned to a parent/guardian on one occasion. The appropriate point fine will also be imposed. Students will be searched and wanded upon entrance.

Students in OSS also have a limited dress code. **NO** jewelry of any kind is permitted (piercings, necklaces, bracelets, watches, rings, etc.) Males must have shirts tucked in at all times, pants must be worn at waist level, and all shirts must have sleeves. Very short skirts and shorts are not permitted. No pajamas or lounge pants are to be worn. Any clothing deemed inappropriate will result in an extra day being assigned. No hoodies are permitted other than being used for outerwear to and from school.

A police officer will be present at all times. It should be noted that in the event that a student in OSS violated the law, he/she will be immediately arrested and further school disciplinary action may result. Any student who is in danger of harming themselves and/or others will be restrained (with handcuffs if necessary).

To report an absence, or if you have questions or concerns, please call 483-4249 between 3:30-4:30 p.m.

### **Alternative Placement Program**

The Alternative Placement Program (APP) is a program for students who have been removed from our day school component for disciplinary reasons. It is a program in which students are enrolled for a minimum of 20 school days. It is housed at JHS and runs from 2:45-7:45 p.m. along with the OSS program. Upon successful completion of APP, the student and their parent(s) will be required to meet with an assistant principal on the first day of their return. During this meeting, they will be required to sign an APP return contract that states the expectations of their academic and behavioral conduct. Violation of this contract may result in an immediate return to APP.

### **Parental Notification**

Parent/guardian will be notified verbally and/or in writing when ISS, ISS/OSS, suspension, or extended detention is assigned.

### **Section 504 Notice Procedures**

Section 504 of the Rehabilitation Act prohibits discrimination against individuals with a disability. No discrimination against any person solely due to his/her disability will knowingly be permitted in any of the programs and practices in the school system.

Concerns regarding identification, evaluation and eligibility of individuals for Section 504 consideration may be made directly to the building administrator. If a referral is made to the building Section 504 committee, specific information regarding Section 504 and rights under Section 504 will be included with consent for evaluation.

If there are any questions regarding individual circumstances, parental rights, educational records, or any other issues, please feel free to contact our Section 504 coordinator, Mrs. Carm Proctor at 483-4411. You may also refer to <http://www.jamestownpublicschools.org>

### **Personal Items**

Please lock up all personal items/valuables. We are not responsible for any lost or stolen items. Any unsecure items will **NOT** be the responsibility of the school.

### **Student Dress and Appearance**

The school has a responsibility to guide students in becoming employable. Personal appearance may determine employability; therefore, good taste, safety and health determine the policy on school attire. All students are expected to give proper attention to personal cleanliness and to dress appropriately for school and school functions. Students and their parents have the primary responsibility for acceptable student dress and appearance. Teachers and all other district personnel should exemplify and reinforce acceptable student dress and help students develop an understanding of appropriate appearance in the school setting.

A student's dress, grooming and appearance, including hair style/color, jewelry, make-up and nails, shall:

1. Be safe, appropriate and not disrupt or interfere with the educational process.
2. Recognize that extremely brief/tight fitting garments such as tube tops, net tops, halter-tops, spaghetti straps, plunging necklines (front and/or back), bare mid-riffs/back, see-through garments, short shorts and micro-mini skirts, and any other garments deemed inappropriate are not permitted. Skirts and shorts need to cover 1/2 of the student's thigh and not be revealing to meet JHS dress code standards. Opaque leggings can be worn under skirts. See through tights and the like **cannot** be worn alone at any time. Any holes in jeans need to be below the area allowable for skirts and shorts. The school administration will have the final say on all matters pertaining to dress code issues.
3. Ensure that underwear/undergarments are completely covered with outer clothing.
4. Include acceptable footwear at all times. Footwear that is deemed inappropriate by administration will not be permitted. Wheeled shoes are prohibited.
5. **Not** include the wearing of sunglasses, outerwear, hats, bandanas, headbands or other head attire in the classroom except for a medical or religious purpose. Any clothing deemed to be worn outdoors is considered outerwear (including lined or insulated coats, vests, etc.).
6. **Not** include items that are vulgar, obscene and libelous, or denigrate others on account of race, color, religion, creed, national origin, gender, sexual orientation or disability. Items promoting tobacco, alcohol, illegal items or substances, inappropriate behavior, or those that are deemed offensive or inappropriate will not be allowed.
7. **Not** promote and/or endorse the use of alcohol, tobacco, illegal drugs and/or encourage other inappropriate, illegal or violent activities.
8. Not promote and/or endorse gang colors, wearing of or carrying bandanas (flags).

A student who is in violation of the dress code will be required to change into acceptable clothing. The first offense will result in a warning (in addition to the above). A second offense will result in a regular detention, and the third offense will result in an extended detention. All dress issues will be determined at the discretion of JHS administration and staff.

### **Right to Search**

School officials have the right to search students, their possessions, lockers, desks and/or automobiles parked on school property, if there is reasonable suspicion that the student is in violation of any school rule or policy, or poses a threat to self or others while on school property. This search may include any device deemed useful in protecting the health and welfare of the school population.

The school district declares its ownership of all student lockers, that it possesses a master key for all lockers, and that officials can and will conduct random locker searches as described above. Students are responsible for all of their personal property stored in school lockers.

### **Audio Electronic Devices, Cellular Telephones, Playing Cards, Headphones, Earbuds, Cameras**

If you need to reach your child for an emergency, please call our main office at 483-3470. Audio electronic devices, laser pointers, cellular telephones, and/or playing cards are not permitted in school during school hours. **IF SEEN OR HEARD**, this equipment will be confiscated and released only to a parent or guardian within two weeks. Extended detention will be assigned, as well. If an item is confiscated for the second time during the school year, it will not be returned. Repeat electronic offenses will result in multiple extended detentions with ISS until extended detentions are served.

### **Cell Phone / Ipod / Headphones / Earbuds / Cameras / MP3 and the like**

These items are not permitted during school hours and are expected to remain in students' lockers. If any of these items are **SEEN or HEARD** during school hours, the item will be confiscated, and only returned to a parent or guardian. An extended detention will be assigned. If a student refuses to turn over an item that is seen or heard, that student will face further disciplinary action that may include suspension. A second electronic device infraction will result in a minimum of two extended detentions and could include ISS. Repeat electronic offenses will result in multiple extended detentions with ISS until extended detentions are served.

### **Sexual Harassment**

The district is committed to safeguarding the rights of all students within the school district to learn in an environment that is free from all forms of sexual harassment. Conduct is deemed to be sexual harassment when the student perceives such behavior as unwelcome, such as inappropriate touching, verbal comments, sexual name calling, spreading sexual rumors, gestures, jokes, pictures, blocking a student's movement, rape or attempted rape.

Sexual harassment is a form of sex discrimination. Any student who believes that he or she has been subjected to sexual harassment, whether by a teacher, other student, or any individual on school grounds or at school activities, should report the alleged misconduct immediately to building principal, school nurse, or guidance counselor.

In the absence of a victim's complaint, the school, upon learning of or having reason to suspect the occurrence of any sexual harassment, will promptly begin an investigation.

Any investigation, which determines that sexual harassment has occurred, will result in disciplinary action by the school and/or police.

\*"If there are any questions regarding individual circumstances, please feel free to contact our Title IX Officer, Karen Peterson at 483-4498 to refer to <http://www.jamestownpublicschools.org>"

### **Drinking, Smoking, Use of Illegal Drugs**

Drinking alcoholic beverages and/or the possession or use of alcohol, smoking materials, chewing tobacco, or illegal drugs are absolutely prohibited in school, on school grounds, or at any school sponsored activity. Students will face disciplinary action as well as any legal consequences for violation of the above guidelines.

Students caught smoking or spitting in school will be suspended for five days for the first offense; the second offense, they will be referred to the County Health Department. If found guilty under Article XX IV, Section 2 (c) of the Sanitary Code, students will be subject to:

1. \$250.00 fine
2. Up to 15 days in jail
3. 50 hours of supervised community service

## **RULES OF STUDENT CONDUCT**

Each student has responsibility to abide by all Rules and Regulations. Failure to assume this responsibility will result in disciplinary actions.

The following rules and guidelines have been formulated to effect orderly conduct within the building, on school grounds, and on school vehicles. These rules of student conduct are set forth by class of offense and indicate consequent measure of punishment. In case of rule violation, these measures will be implemented.
