

Jamestown Public Schools

About Our District

The Jamestown Public School District offers approximately 5,000 students an exciting education to help them succeed in today's world. With enthusiastic teaching and pride in the character of its students, Jamestown Public Schools infuses today's learners with the passion and ability to become tomorrow's leaders. Jamestown's facilities are second to none in New York State with newly renovated schools, an athletic complex that rivals most colleges, and the most up-to-date technology. A well-planned instructional program and a wide-variety of extracurricular activities, give students from all cultural, economic and educational backgrounds opportunities to experience achievement...a chance to develop the skills needed to succeed in today's world.

Jamestown Public School students bring distinction to the District through their accomplishments in academics, performing arts, and athletics. Graduating seniors earn over \$250,000 in scholarships each year and attend some of the top colleges and universities in the country.

With six elementary schools, three middle schools, Jamestown High School and a Technology Academy, every student and faculty member have access to state-of-the-art technology through an in-class SAFARI system and classroom computers, teacher laptops, school computer labs, and mobile, multi-media laptop computer labs.

The Jamestown Public School District is located in Jamestown, New York - only a 45-minute drive to Erie, Pennsylvania and an 80-minute drive to Buffalo, New York. Jamestown sits on Chautauqua Lake, which provides a wide-variety of water-related activities in the summer, along with winter sports at nearby ski resorts. The internationally-renowned Chautauqua Institution is known for its unique interation of arts, education, religion and recreation. With lectures, plays, art exhibits, popular concerts and an award-winning golf course, Chautauqua Institution welcomes over 170,000 people from around the world each summer season. The Roger Tory Peterson Institute offers a variety of exhibitions, programs and special events all designed to encourage an increased awareness and appreciation of the natural world.
